Stand of WIPO (World Intellectual Property Organisation) and IPI (Swiss Federal Institute of Intellectual Property)

Under the patronage of the Swiss Government, the Republic and Canton of Geneva, the City of Geneva and of the World Intellectual Property Organization – WIPO, The International Exhibition of Inventions Geneva benefits from the most extensive support and privileges that can be granted to an exhibition. This support testifies to the usefulness, relevance, and remarkable quality of this event, recognized as the world's foremost exhibition of inventions. It is also the highly international, with the participation of 45 countries.

PRESENTING YOUR INVENTIONS OR SERVICES

You have developed an invention and want to bring it to the market? Are you looking for potential partners such as manufacturers, distributors, investors or promoters who can help distributing your innovation worldwide?

The International Exhibition of Inventions Geneva provides you with the opportunity to directly connect with thousands of international professionals. With a worldwide reputation, this exhibition offers the best opportunity to promote your invention.

YOU SHOULD EXHIBIT TO

PRESENT your invention, unique product, new technique, capabilities, activities, and services to professional visitors, journalists, and the public.

TURN YOUR INVESTMENTS INTO PROFIT by protecting and developing your invention through the negotiation of licences.

MEET AND MAKE FRUITFUL CONTACTS with manufacturers, commercial agents, promoters, financiers, users and entrepreneurs of all kinds, both national and international.

BENEFIT directly from advertising and media coverage.

WHO CAN EXHIBIT

Manufacturing and commercial companies and enterprises | inventors and private researchers | consultancies | laboratories | universities | private and state-owned research institutes and other organizations | patent brokers and promoters of innovation | associations and similar bodies | service and financial organizations | publishers | regional, national and international organizations.

PRIZES AND AWARDS

The International Jury made up of 82 specialists will judge each invention exhibited and will select a number of them for prizes and awards. Thanks to the competence and standing of this Jury, we can state with confidence that the prizes given will eloquently certify the merit of the winning inventions and will be a substantial help in their commercial launching.

GENEVA THE HUB OF THE WORLD

A center of finance and business, an international marketplace for goods, inventions, ideas and cultures, seat of the United Nations Office in Geneva, of the World Intellectual Property Organization (WIPO), of international organizations and multinationals, this city is where one half of the world meets the other. As a universal economic crossroads, Geneva is a veritable experiment in international relations.
